Andy has been an important member of the CLTC coaching team for the last 12 years and has a proven track record of introducing players of all level to the sport. As part of the new management team, Andy will be responsible for managing the disability and outreach programmes and heavily involved in increasing participation in every area of the club. Andy has been recognised for his fantastic work in disability tennis with a number of awards and is the current Derbyshire Coach of Year.

Jonny Brooke

- LTA Level 4 Senior Coach
- Cardio Tennis Instructor
- U10 performance specialist qualification
- Former Tennis Development Co-ordinator for New Zealand regional association.
- Level 3 in Digital Marketing

Jonathan was a member of CLTC from the age of ten and a part of the coaching team for 5 years where he undertook the roles of U10 Performance Co-ordinator and Head of Adult Tennis. He oversaw a very successful period for the junior team programme and built a thriving adult programme in this time. Jonathan will be heavily involved in managing the adult programme, helping the junior programme to fulfil its potential and implementing new digital systems to improve the efficiency of club operations. Alongside Charlie Pick, Jonathan will also be responsible for implementing the new performance programme.
