

# CLUB TOURNAMENT 2022

## RULES & GUIDELINES FOR PLAY

- Deadlines for each round must be adhered to for fairness to others and to ensure all rounds are completed by finals day.
- If a match is not played by the dead-line **then both pairs or individuals** will be **withdrawn** from the tournament.
- It is the responsibility of both pairs/players for making the arrangements to play the match. (It would be helpful if you could write the arranged date and time on the draw sheet in the Clubhouse.)
- Please organise your matches early to minimise the effects of adverse weather or holidays.
- All participants should be available to play on Finals Day

## **Event formats**

All Open Events will consist of 2 normal sets and a Championship Tie break if necessary.

All Handicap Events will consist of 3 sets to 5 games – if the score is 4-4 next game wins.

## **Handicapping System.**

A pair or individual losing the first game will start the next game +15.

Depending on who wins the next game the score will move to +30 or revert back to 0-0.

If you win a game and started with + points then you move back to your previous starting points.

If you lose a game and started with + points then you add points up to a maximum of 40

If a pair reaches +40 then they stay on that score until they win a game.
